AI Powered Procurement Compliance Report

Smart India Hackathon 2026

Tender File: LEDS_56819387-c569-470c-9dc21760098477633_tdo-kadi1.pdf

Compliance Score: 71%

Risk Level: MEDIUM

This report was automatically generated by the BIS AI Recommendation Engine after OCR extraction and compliance validation of the uploaded Government Tender document.

Tender Summary

Parameter	Value
Product Category	LED Street Light
Applicable BIS Standard	IS 10322 / IS 16102 / IS 16107
Matched Clauses	5
Missing Clauses	2
Compliance Score	71%
Risk Level	MEDIUM

Verified BIS Clauses

Clause	Expected Value
✓ IP Rating	IP66
✓ Warranty	2 Years
✓ Lumen Efficacy	>=100 lm/W
✓ Voltage Range	140–270 VAC
✓ Surge Protection	10kV

Missing BIS Clauses

Clause	Required BIS Value
✗ Power Factor	>=0.95
✗ Impact Resistance Rating	IK08

AI Recommendations

- Add **Power Factor** with value ≥ 0.95 to comply with BIS IS 10322 specifications.
- Add **Impact Resistance Rating** with value **IK08** to comply with BIS IS 10322 specifications.

Risk Assessment

MEDIUM PROCUREMENT RISK

Missing BIS specifications increase procurement risk and may lead to tender rejection, vendor disputes, or non-compliance during technical evaluation.
